

Love the LORD your God with all your heart and with all your soul and with all your strength. These commandments that I give you today are to be on your hearts.

Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. Tie them as symbols on your hands and bind them on your foreheads. Write them on the doorframes of your houses and on your gates.

Welcome

- 1 To ensure the safety of all children, please visit a Check-In Kiosk. Here, you will receive a nametag with a number and a security pickup tag. If there is a need, your child's number will be displayed in the auditorium.
- 2 Sign in your child at the appropriate classroom. A volunteer will be there to welcome your child and receive any special instructions.
- 3 We hope you feel welcomed, but request you remain mindful of your "visiting," and pick up your child promptly after the worship/teaching time. You will need your pick-up tag for security purposes.
- 4 We have volunteers in the foyer and the classrooms to help you with any questions and concerns. Please contact us for any further needs.

Experience

We are so pleased you decided to join us today. To reassure you about your child's care, we'd like to share a few things about our classrooms:

- 1 Each child is prayed for by name throughout the year
- 2 Our goal in Children's Ministry is to point kids to Jesus. This is achieved on Sunday mornings through worship, prayer and Bible reading.
- 3 The Children's Ministry staff is here as a resource to parents and families. We also offer many gospel centered, hands-on materials for families to check out for use at home or in house churches.
- 4 Children with disabilities are welcome. If your child has special needs, please educate us on providing the best care.

Safety & Health

- 1 We carefully screen all caregivers.
- 2 Safety of all children is very important to us. If your child has allergies or any other concerns, please inform the classroom volunteers.
- 3 In the interest of everyone's health, please ensure that your child is well. Symptoms of illness include fever, vomiting, diarrhea, cough, runny nose, or a rash.

*See what great love
the Father has lavished on us,
that we should be
called children of God!
And that is what we are!*
