

Love the LORD your God with all your heart and with all your soul and with all your strength. These commandments that I give you today are to be on your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. Tie them as symbols on your hands and bind them on your foreheads. Write them on the doorframes of your houses and on your gates.

Deuteronomy 6: 5-9

BRING IN • BUILD UP • BRANCH OUT

Welcome

- 1 To ensure the safety of all children, please visit a Check-In Kiosk. Here, you will receive a nametag with a number and a security pickup tag. If there is a need, your child's number will be displayed in the auditorium.
- 2 Sign in your child at the nursery counter. Leave everything your child may need: bottle, pacifier, special blanket, and/or diapers. Please have your child's name on all personal items.
- 3 We hope you feel welcomed, but request you remain mindful of your "visiting," and pick up your child promptly after the worship/teaching time. You will need your pick-up tag for security purposes.

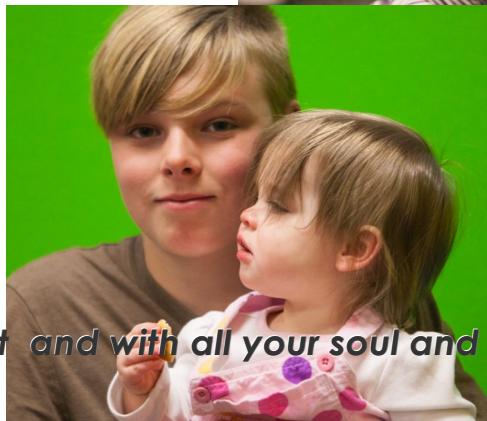

Love the LORD your God

with all your heart and with all your soul and with all your strength. Deuteronomy 6:5

Experience

We are so pleased you decided to join us today. To reassure you about your child's care, we'd like to share a few things about our nursery:

- 1 Our monthly prayer focus allows us to individually pray for each child.
- 2 Caregivers lovingly care for and play with children, striving to meet each child's individual needs.
- 3 We are sensitive to individual needs. Teddy Grams and Cheerios are offered as snacks. If your child has food allergies, please let us know.
- 4 Unless otherwise requested, we plan to check your child's diaper and change it if needed. Potty training children will be encouraged to use the toilet and wash their hands.

Safety & Health

- 1 We carefully screen all caregivers.
- 2 Toys and equipment are sanitized after each service.
- 3 In the interest of everyone's health, please ensure that your child is well. Symptoms of illness include fever, vomiting, diarrhea, cough, runny nose, or a rash.
- 4 Nursery-aged children with disabilities are welcome. If your child has special needs, please educate us on providing the best care.
